Recreation Nova Scotia and the N.S. Department of Health Promotion and Protection have partnered again this year to deliver "Take the Roof Off Winter" in Nova Scotia. The program's goal is to encourage outdoor physical activity in winter, with a focus on families and unstructured outdoor fun.

The Take the Roof off Winter website at [www.TakeTheRoofOffWinter.ca](http://www.TakeTheRoofOffWinter.ca) is a one-stop site for winter activity ideas, where to go, what to do, and how to do it. It also includes related links, resources, and winter safety tips.

Get outside, have fun - and
